

Ages 4+

INTENSIVE PROGRAM

For the students who can't get enough of dance, we offer our Intensive Program. Dancers in our Intensive Program participate in workshops, conventions, perform at special events and attend numerous dance competitions throughout the dance season. Dancers are taught the value of teamwork, self-discipline, dedication, confidence, time management, and respect for the art of dance.

Auditions are required to be placed at this level.

AUDITIONS

COMPETITION TEAMS

August 11th-14th 2020
