

# Competition TEAMS

AGES 4-18

Massachusetts Dance Academy's competitive and pre-professional team gives dancers the opportunity to progress their dance training in a challenging, yet nurturing environment. Dancers have the opportunity to compete in ballet, pointe, jazz, tap, contemporary, lyrical, hip-hop, musical theater and acro.

Competition team dancers have additional performance opportunities at competitions, conventions and community events! They also have the opportunity to accelerate their training and performance skills by working with guest artists and master teachers. Older competitive dancers mentor our younger dancers and all participants are a part of a team of friends that build lasting friendships.

Massachusetts Dance Academy's Competition Team and Pre- Professional program are so much more than just great dancing! We provide students with a well rounded, fun and exciting educational experience. We believe dance lessons teach life lessons! Dancers are taught the understanding of what being committed to a team means, respect for others, self-discipline, responsibility, dedication, time management, and being prepared.

Auditions are required to be placed on the team.
